Success Stories start from here...

Not only our tours open their mind to new ideas, but also encourages social and personal development – group activities can develop self-confidence and improve a student’s personal, social and emotional development. The schools and universities award certificates to students which are very valuable for higher studies. The schools also benefit from the long-term sister school relationship developed because of our tours.

About the Destinations

CANADA

Whether you're a hardcore adrenaline junkie, a wildlife enthusiast or a city slicker looking for cutting-edge culture, Canada ticks all boxes. A visit to Canada, a country with varied landscapes and varied people, is an excellent cultural, educational and fun experience.

EUROPE

From beautiful Paris, to smoke filled coffee shops in Amsterdam, to Oktoberfest, to the beaches of Greece, a wonderful experience awaits your students in Europe. The continent holds wonderful beaches, historical architecture, amazing wine, and wonderful people. Every country is incredibly different than the next.

NEW ZEALAND

New Zealand is an amazingly beautiful and largely untouched country. New Zealand is also known as the winterless north with beautiful beaches, lakes, green forests and rivers. It is the adventurous capital of the world. With their exceptional and lively culture, native Maori people have unique and varied culture.

AUSTRALIA

Australia is filled with incredible natural beauty from Uluru to the Outback, rainforests to pristine white sand beaches, and of course, the Great Barrier Reef. No matter how many times you visit Australia, every trip, you'll find something new about this country to love- its people, its landscapes and its wildlife.
